Nothing But The Blood (Matt Redman)

Capo 4

VERSE:

```
          G                          Em7                          G                          Em7
1     Your blood speaks a better word Than all the empty claims I've heard upon this earth
2     Your cross testifies in grace  Tells of the Father's heart to make a way for us

                                 D/F#                     Cadd9                     G   D/F#
1     Speaks righteousness for me And stands in my defense. Jesus it's Your blood.
2     Now    boldly    we     approach Not by earthly confidence  It's only Your blood.
```

CHORUS:

```
      G                                Em7
      What can wash away our sins? What can make us whole again?
      D/F#                     Cadd9                          G      D/F#
      Nothing but the blood   Nothing but the blood of Jesus
      G                                     Em7
      What can wash us pure as snow?   Welcomed as the friends of God
      D/F#                     Cadd9                   G      D/F# Cadd9
      Nothing but Your blood  Nothing but Your blood King Jesus
```

BRIDGE:

```
      G                                Em7
      We Praise You for the blood   We Praise You for the blood
      D/F#                     Cadd9                   G      D/F# Cadd9
      Nothing but Your blood  Nothing but Your blood King Jesus
```
