

# My Savior My God

## Verse

1 I am not skilled to understand What God has willed, what God has planned  
2 I take him at his word and deed Christ died to save me this I read  
3 Yes, living, dying; let me bring My strength, my solace from this spring

1 I only know at his right hand Stands one who is my Savior  
2 And in my heart I find a need For him to be my Savior  
3 That he who lives to be my king Once died to be my Savior

## Pre Chorus

That he would leave his place on high And come for sinful man to die  
You count it strange, so once did I Before I knew my savior

## Chorus

My savior loves, my savior lives My savior's always there for me  
My God he was, my God he is My God he's always gonna be
