

# O Holy Night

C F C Am G C  
O Holy Night! The stars are brightly shining, It is the night of the dear Savior's birth.  
Truly He taught us to love one another, His law is love and His gospel is peace.

Long lay the world in sin and error pining. Till He appeared and the Soul felt its worth.  
Chains shall He break, for the slave is our brother. And in his name all oppression shall cease.

A thrill of hope the weary world rejoices, For yonder breaks a new and glorious morn.  
Sweet hymns of joy in grateful chorus raise we, Let all within us praise His holy name.

Fall on your knees! Oh, hear the angel voices!  
Christ is the Lord! Let ever, ever praise we,

O night divine, the night when Christ was born;

O night, divine , O night, O night divine!
